

## Bluebay Floor Covering & protection Boards

### Corrugated Protection Boards

Corrugated protection boards are a revolutionary ribbed polypropylene extrusion supplied in a variety of strengths and thicknesses. These boards offers a range of unique characteristics at a very competitive price.

Technical Data	
Type	Size
2mm - Black	2.44 m x 1.22 m
2mm - Translucent (FR)	2.44 m x 1.22 m
3mm - Translucent (FR)	2.44 m x 1.22 m
Other grades / thicknesses are available upon request	

#### Features & Benefits

- Simply and quickly cut, curved and creased.
- Light, easily handled and simple to position and fix.
- Tough and durable.
- Translucent and coloured.
- Non-toxic, chemical resistant, waterproof and does not stain.
- Available in normal and flame retardant (FR) varieties

### Megaflim Temporary Protection Materials - For all interior finishes

Supplied In manageable roll form, Megaflim systems are labour saving alternatives to traditional methods of protection. Megaflim case of fit speeds up the protection process, reducing the risk of damage to exposed finishes.

Megaflim's unique pyramid structure provides antislip properties when used on floor finishes, and will cushion against impact when used on vertical finishes. Megaflim's flexibility and durability ensures an all round protection system that is simple to install.

TAPE (75mm overlap)

MEGAFLIM SHEETS

FLUID FILLS PYRAMIDS

#### ANTI-SLIP

Megaflim's unique anti-slip pyramidal structure overlaps and interlocks providing safe, anti trip joints.

#### CONTAINS SPILLS

When used, with pyramids facing down, Megaflim helps to control fluid spills forming pools, thus minimising potential hazards.

#### Flame Retardant Grades

Megaflim Flame Retardant Protection systems are approved & certified to LPS 1207 standard.

#### Features & Benefits

- Pyramids cushion against impact
- Manageable roll size - labour saving
- Interlocking joints - anti-slip/anti-trip
- Durable - tear resistant
- Covers large areas fast - less jointing
- Roll form - reduces waste
- Easy to tailor fit - simply cut to shape
- Contains dirt and spillage
- Non staining - no risk of dye leach
- Compact - easy to store
- Translucent - lets light through
- Flexible - grips most surfaces
- Custom print facility
